*Canyon Course leaped to fame when it was selected as the venue for the 1994 Johnnie Walker Classic and since then it has been recognized as a world*

*championship golf course. A challenging course with plenty of water and always in excellent condition.*  
*Lakes Course is a mixture of water-filled canyons created by open cast mining with its natural land flow left relatively unchanged. Plenty of water hazards. Its front 9 holes run through a landscape of lakes and natural canyons, whilst the back 9 weaves its way around lakes and woodlands of rubber trees.*  
 On route 402 at the north end of Phuket island near the airport about 40 km from Patong Beach. Turn left after km marker 27 to the course entrance.
